

Old Torry Community Centre

Remember **FACTS** for a safer Scotland

Face coverings

Avoid crowded places

Clean hands regularly

Two metre distance

Self-isolate and book a test if you have symptoms

As from 19th July 2021, a new, lower level of risk has resulted in a Level 0 status. As the OTCC is a multi-purpose space, we will be following public health guidance for all activities that will mean that a gradual reopening of the Centre can be started in the coming month whilst the lower levels of COVID still exists.

We encourage use in the Centre of hand-gel sanitiser from fixed or portable dispensers.

We really want to ensure that everyone in the community is aware of the covid safety guidance. Not simply the washing your hands, and wearing a face covering, but being aware of the symptoms, on the need to self isolate and book a test, and what help is available if you are isolating.

We need your assistance to circulate this information to all your volunteers/users and those you come into contact with. We need to get this message out in our community.
